DAMVAD • ANALYTICS

Complex data. Predictive Analytics. Big impact!
DAMVAD Analytics is hiring interns for spring 2019

Position

At DAMVAD Analytics, we combine a wide range of economic data with strong insights into our business areas to create value for our clients. We are a consulting firm with expertise in Business Economics, Research & Innovation, Education & Employment, Energy & Utilities, Financial Services, and Life Science. Your role will consist of helping our clients optimize their firm strategy, strengthen their political communication or improve public policy using econometric, bibliometric or other mathematical models applied to register, organizational and international data.

Responsibilities

You will become part of a dynamic, creative and ambitious firm, where new ideas are encouraged from everyone. Our company culture is informal, and we have a social workplace with a strong sense of community.

Your tasks will include:

• Quantitative data collection and analysis in programs such as R and excel
• Oral, written and visual presentation of results
• Participating in client meetings
• Writing offers to clients and assisting in our sales process

Requirements

You are enrolled in a quantitative social science master's programme and are in the top of your class. Furthermore, the following can be said about you:

✓ Strong methodological skills and structured work flow
✓ Experience from relevant part time job or extracurricular activities
✓ Good oral and written communication skills in Danish and English
✓ Thrives in an environment with varied and fast paced tasks

We offer

We take your learning serious and do our best to give you the opportunity to refine your existing skills and develop new ones during your internship. You will have a mentor assigned with regularly scheduled meetings to make sure you get the most out of the internship program.

The internship is scheduled from mid-January 2019 to June 2019 (some flexibility is possible) and we offer a salary of 5.000 kr. per month. Send a brief application along with your resume, grade transcript and letters of recommendation to job@damvad.com before **October 21th, 2018**. If you have any questions, don't hesitate to contact Partner Asbjørn Knudsen at 2022 7443 or abk@damvad.com, or fall intern Annika Toftegaard Vander at 2763 2722 or ava@damvad.com.
