

## DAMVAD Analytics is hiring interns for spring 2019

### Who are we?

At DAMVAD Analytics, we combine a wide range of economic data with strong qualitative insights into our business areas. We are a consulting firm with expertise in Business Economics, Research & Innovation, Education & Employment, Energy & Utilities, Financial Services and Life Sciences. In all our areas we combine the strengths of quantitative and qualitative methods, as we believe this approach allows us to deliver optimal value to our clients. Your role will consist of helping our clients conduct fieldwork and contributing to the development of our qualitative approach in general.

### What will your tasks be?

You will become a part of a dynamic, creative and ambitious firm, where new ideas are encouraged from everyone. Our company culture is informal, and we have a social workplace with a strong sense of community.

Your tasks will include:

- Qualitative data collection, such as interviews and participant observations studies
- Qualitative research design
- Conducting survey research
- Communicating results through reports and presentations
- Writing proposals to clients and assisting in our sales process
- Participating in client meetings and workshops

### Who are you?

You are enrolled in master's programme with a strong focus on qualitative methodology i.e Anthropology, Ethnology, Political Science or Sociology. This position is for you if you agree with these traits about yourself:

- ✓ Strong methodological skills
- ✓ Structured work flow
- ✓ Curricular or extracurricular experience in one or more of our business areas
- ✓ Good oral and written communication skills in Danish and English
- ✓ You thrive in an environment with varied and fast paced tasks

### We do we offer?

We take your learning serious and do our best to give you the opportunity to refine your existing skills and develop new ones during your internship. You will have a mentor assigned with regularly scheduled meetings to make sure you get the most out of the internship program. The internship is scheduled from mid-January 2019 to mid-June 2019 (some flexibility is possible) and we offer a salary of 5.000 kr. per month.
